

**2019 State Championships presented by Hyperthread & Specialized
--- Staging Notes and Call Ups ---**

We hope you had a great time during your SoCal or NorCal Series this season and are looking forward to a great and FUN race on some fantastic trails at the Lehigh Trail System!

STAGING NOTES:

- **Championship Field Staging & Call Ups:** Varsity, JV, and Freshman Boys and Girls are all seeded in plate number order. ***This is your call-up order.*** Call-ups were determined as follows:
 - **Varsity Boys & Girls, Freshman Girls:** Final registered riders were sub-grouped into Series Leaders, 2 Race Winners, 1 Race Winners, Podium Placers, all others. Each sub group was then added to the field after being mixed to the best of our ability based on League and Team.
 - **Freshman Boys:** The entire registered category was sorted as with Varsity and then split into two fields approximately equal in size and spread of rider finishes. Teams were also divided approximately equally so that teams with multiple riders in a given sub-group were spread to both fields. Each field (A & B) is its own field with its own podium and points going to team competition.
 - **JV Girls:** Same as Varsity Boys/Girls BUT with the sub-groups as follows and in order JV2 (SoCal) and JV (NorCal) Leaders, JV2 (SoCal) and JV (NorCal) 2 Race Winners, JV1 (SoCal) and Soph (NorCal) Leaders, JV2 (SoCal) and JV (NorCal) 1 Race Winners, JV1 (SoCal) and Soph (NorCal) 2 Race Winners, JV1 (SoCal) and Soph (NorCal) 1 Race Winners, JV2 (SoCal) and JV (NorCal) Podium Placers, JV1 (SoCal) and Soph (NorCal) 1 Podium Placers, order JV2 (SoCal) and JV (NorCal) all others, JV1 (SoCal) and Soph (NorCal) all others.
 - **JV Boys:** Same as JV Girls but split into two fields like Freshman Boys.
- **Open Field Staging & Call Ups:** Open fields were sorted alphabetically and plates assigned. Staging order will be in groups based on the last digit of the plate and rotating from there. Number that starts the rotation will be randomly drawn at the Coach Meeting at the race.
- Staging for each **WAVE** begins 15 minutes before the first field of the wave. Please review the race flyer for wave start times. All riders should arrive at staging 15 minutes ahead of the start time of the first field of the wave their field races in.
- If you miss staging you will be added to the back of the field when you arrive.
- No umbrellas in the start chute. If it is cold you can bring extra clothes then pass them out of the start chute as you get ready to race. Just make sure you remember to pick them up!

States Scoring and Award Notes

- There are two series of team awards: Top 3 School teams and Top 3 Composite teams. All teams score their top 4 point earners with at least one being opposite sex (3 girls:1 boy, 2 girls:2 boys, 1 girl:3 boys). Points come from any Championship field a rider is in (Varsity, JV, or Freshman). Open fields do not contribute to team scoring.
- Individual award medals are given 5 places deep in all fields (Championship & Open). Winners of Championship fields also earn a State Champion jersey. Winners of Varsity fields also earn a belt buckle.
- Championship fields contribute the following number of points to team scoring:
 - Varsity: 575 and down
 - JV: 540 and down
 - Freshman: 500 and down

Award ceremony will be at the conclusion of the race after all results are finalized!
